I'm sorry Laura. I figured out the footnote for 3 was just moved. We will make the edits you all sent. I'm signing the letter in 30 minutes, as I'm not in the office tomorrow.

The footnote for 4 is crossed out. What should the footnote be?

Hi Tim,

We are still waiting to hear from our upper management and Meg will let you know as soon as she hears. Meanwhile, Meg and I re-read the letter one last time and had a few very minor changes, please see attached and let us know if you have any questions. (They are minor things like typos, moving a footnote, fixing a sentence – and I changed “incorrect guidance” to “previous guidance.”)

Thanks Tim –

Subject: Request for Electronic Concurrence: I-70 East Project Comment Letter

Hi Meg and Brian,

Please find attached the final version of our comment letter regarding FHWA/CDOT's I-70 East Project Draft Air Quality Conformity Determination and National Environmental Policy Act Comparative Analysis Information, for the Record of Decision, document. This version of the letter reflects our meeting with our Deputy Regional Administrator yesterday afternoon.

Please provide your electronic concurrence regarding the attached letter and send it back to Monica Morales (R8) and myself.

Thanks to everyone for their assistance in preparing this comment letter!

Tim
